# How to get more refund

#### Collect áll your receipts

Gather all receipts and/or tax-free forms from 55.000+ participating\* (web)shops as listed in our mobile app or via www.vatfree.com.

#### **Visit Customs for validation**

When leaving the EU, **before check-in** stop by **Customs** for a **validation stamp**. Customs might ask to see your goods before validating your receipts. **NO STAMP = NO REFUND!** 

## Register áll your receipts

**Download our mobile app** and register your receipts, or use our **website**. This helps you with the process, prevents loss and you will always stay informed.

## More receipts = more money!

Our service fees are the lowest in the market which means you will receive the highest refund. Collect all your receipts and tax-free forms to get more refund!\*

\*We're building the largest and most transparent network of stores that participate in VAT refunds. Use our **shopping guide** on mobile app or web to check if the store participates. **55.000+ stores are listed** so it's likely you can instantly see if you are ensured of cooperation.
