How to get more refund

Gather all receipts and/or tax-free forms from 55.000+ participating*(web)shops as listed in our mobile app or via www.vatfree.com.

2 Get your purchase receipts stamped by Customs

At the airport, before check-in, you will need to visit Customs to get an **Export Validation Stamp on all your receipts**. This will prove you are taking the goods back home. The Customs officer might ask to see your goods before validating your receipts.

NO STAMP = NO REFUND!
