How to get more refund

1

Collect all your receipts

Gather all receipts and/or tax-free forms from **55.000+** participating* (web)shops as listed in our mobile app or via www.vatfree.com.

2

Visit Customs for validation

When leaving the EU, **before check-in** stop by **Customs** for a **validation stamp**. Customs might ask to see your goods before validating your receipts.
NO STAMP = NO REFUND!

3

Register all your receipts

Download our mobile app and register your receipts, or use our **website**. This helps you with the process, prevents loss and you will always stay informed.

4

Send us your stamped receipts

Mail us your **original stamped receipts**. We will collect the VAT from shops and keep you informed via email, mobile app or web. Send to:

vatfree.com att: Pform
PO Box 37234
1030 AE Amsterdam
The Netherlands

Vatfree.com will request your payment details once your refund is collected and then transfer the money to you.

More receipts = more money!

Our service fees are the lowest in the market which means you will receive the highest refund. **Collect all your receipts and tax-free forms to get more refund!***

*We're building the largest and most transparent network of stores that participate in VAT refunds. Use our **shopping guide** on mobile app or web to check if the store participates. **55.000+ stores are listed** so it's likely you can instantly see if you are ensured of cooperation.
